Enter your reservation code number (not required for thermostat rebate) \_\_\_\_\_  
A reservation code is required to guarantee a furnace or boiler rebate and can be obtained by calling Energy Federation, Incorporated (EFI) at 1-866-542-4352. Reservation codes become inactive ninety (90) days after they are issued.

### Terms and Conditions

Mail this completed form, a copy of a recent Laclede Gas or Missouri Natural Gas bill, and a copy of you contractor's invoice with complete manufacturer and model numbers and/or store receipt(s) to:

EFI – Laclede Gas Rebate  
40 Washington St., Suite 2000  
Westborough, MA 01581

Rebates will be mailed to the customer's service or mailing address as noted above within 4 to 6 weeks of approval.

For more information, visit Laclede's website at <http://www.lacledegas.com/conservation/> or call EFI at 1-866-542-4352.

Valid for equipment purchased and installed between **November 28, 2008** and **July 31, 2010**, or **until funds are exhausted**. All applications must be **postmarked within ninety (90) days of the date your reservation code is issued or by August 31, 2010, whichever comes first**. Eligible equipment must be installed in a home with an active Laclede Gas or Missouri Natural Gas account. Furnace or boiler rebate applications that are submitted without an active reservation code may not be approved if unreserved funds are not available. ENERGY STAR® thermostat rebate applications may not be approved if unreserved funds are not available.

**Rebate Limit:** Individual dwelling units, as determined by account number, whether owner-occupied or rental property, are eligible for a maximum of two heating system rebates and two ENERGY STAR® thermostat rebates under this program. Owners of multiple individually metered dwelling units are limited to a maximum of 50 heating system rebates and 50 ENERGY STAR® thermostat rebates during one program year.

This rebate is available to all residential customers of Laclede Gas Company and its operating divisions (Laclede). It is subject to the terms and conditions of the program and to change or terminate without prior notice. Funding is limited. Funding is administered by EFI and provided to Laclede customers in cooperation with the Missouri Public Service Commission, the Office of the Public Counsel, and the Missouri Department of Natural Resources. Laclede reserves the right to conduct field inspections to verify installations. Laclede does not guarantee the performance of installed equipment expressly or implicitly.
