

# How to read your natural gas bill

Important phone numbers and addresses on reverse side of bill.

The customer account number and the address where you receive gas service.

This section includes a summary view of your bill, including amount due, due date and delinquent date.

Details on usage information for the current billing period.

Breakdown of cost of service for the current billing period.

Breakdown of prior balance, payments, current charges and ending account balance.

Portion of the bill returned with your payment. Due by and delinquent dates are included on this stub. Please indicate payment amount, detach and use the return envelope. Additional payment options are described on the back of the bill.

Dollar-Help provides crisis assistance to those who have exhausted all avenues of public energy assistance funds and still find themselves in need. By checking a red box your account will be billed the additional amount each month. **Your donation is tax deductible.**

The Budget Billing option provides a consistent monthly charge throughout the year. To enroll, check the gray box when it appears on your bill in July.
